

ONLY ONE THING IS MORE DEVASTATING THAN
A PROLONGED BUSINESS INTERRUPTION.

IGNORING IT.

AGILITY
RECOVERY SOLUTIONS™

Onsite. Anywhere.

Courtesy Computers has teamed up with Agility Recovery Solutions!

By utilizing our Courtesy Care Online Data Backup Services and Agility's 'Ready Suite' program...

Our customers can feel secure in knowing that in the event of a major IT meltdown or catastrophe, help is on the way.

Agility will provide whatever is necessary to temporarily replace the IT infrastructure and mobile units to house it all and their employees.

Courtesy will ensure that our customers data and applications are safely restored to 'operational condition' so that our customers can continue functioning comfortably, during their time of recovery.

News Release

AGILITY
RECOVERY SOLUTIONS™

Onsite. Anywhere.

Courtesy Computers announces a full services disaster recovery solution.

Courtesy Computers has been servicing the IT and data protection needs of the insurance industry for over 18 years. Recently, we identified a need to provide a turnkey, full service disaster recovery solution to our clientele. That's why we are excited to announce our partnership with Agility Recovery Solutions.

Courtesy Computers and Agility Recovery Solutions: The perfect disaster recovery solution.

Courtesy Computers and Agility Recovery Solutions are perfectly aligned to service the insurance industry. In addition to the IT and data protection expertise you've come to expect from our Courtesy Care Network Management and Online Data Backup Services, our partnership will provide you with the technology, office space and infrastructure to keep your business running seamlessly in the event of a disaster.

Agility Recovery Solutions enables you to get your business running within 24-48 hours.

Within 24-48 hours of a declared emergency, Agility Recovery will deliver everything you need to keep your business running and you connected with customers, suppliers and partners. Through Agility's ReadySuite program we offer:

- Dedicated satellite bandwidth
- Phone and internet service
- Fully operational computer and data centers
- Printers and fax machines
- Portable power generator
- Read to use onsite mobile office space.

A Turn-key full service solution. No hassles.

We all have the same goal: To get our clients back in business faster and with no surprises along the way. That's the benefit of the Courtesy Computer/Agility Recovery partnership. Your ability to manage your business and service your clients is ensured. No hassles. No worries. Courtesy Computers protects your intellectual property with our Courtesy Care Online Data Backup Services. Agility Recovery Solutions gives you the ability to use it.

Kind regards,

Tim Woodcock
